My Family Coat of Arms

What is a coat of arms?

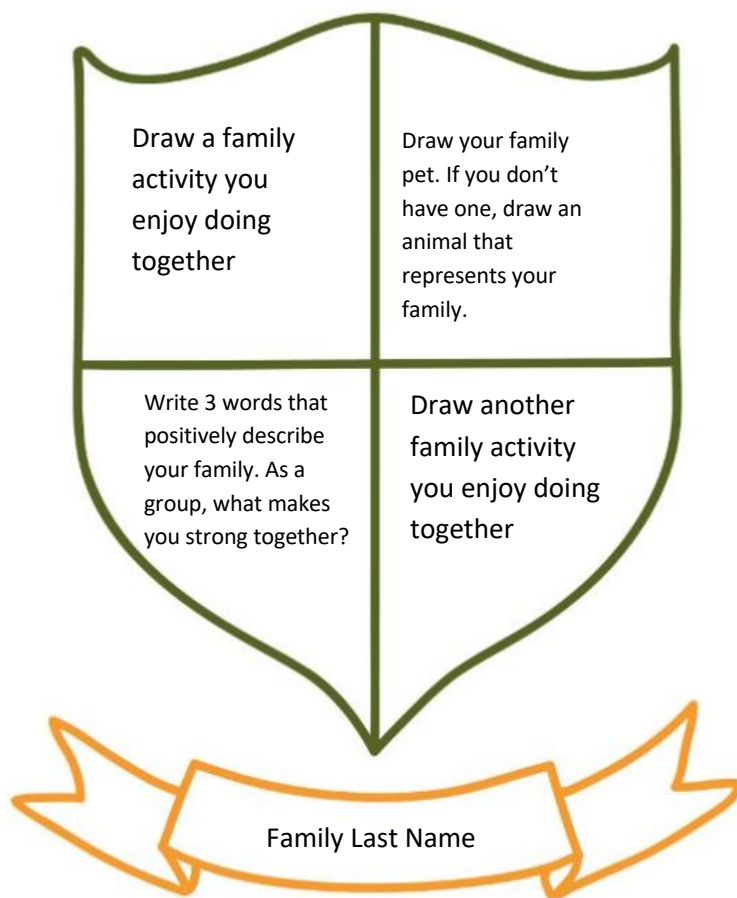

In medieval times, very few people could read or write. Using pictures and colors was a way to describe a group of people. When these pictures were combined, they were called a “coat of arms.” A coat of arms uses pictures, colors, and words to show what’s important to a group of people.

Activity

For this activity you will create a coat of arms that tells about your family.

Materials: paper, coloring supplies like colored pencils, crayons, or markers

Follow the below picture for what to draw in each section of your coat of arms.

After you are finished, share with your family!
