

Dots and Boxes

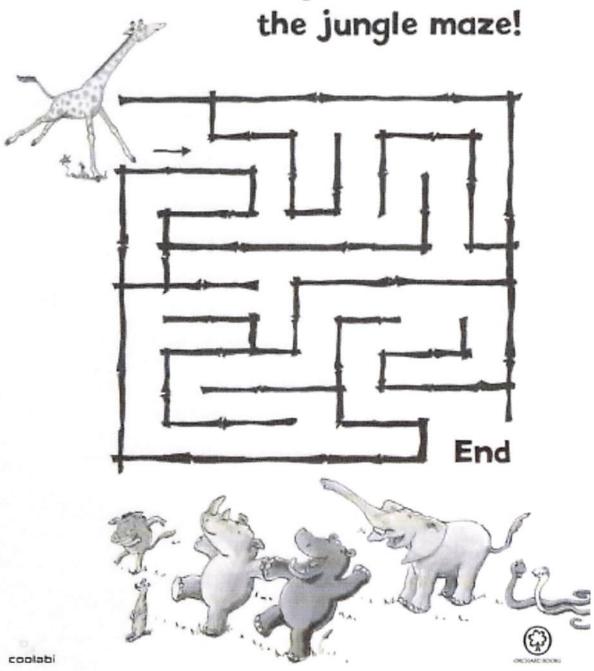

Players: 2 or more

In a grid below, take turns drawing a single horizontal or vertical line between two dots. The player who completes the fourth side of a box earns one point (marked by their initial in the box) and takes another turn. The game ends when no more lines can be placed. The winner of the game is the player with the most points.

GRAFFES CAN'T Help Gerald the DANCE giraffe find his way to the end of the junale maze!

Hangman

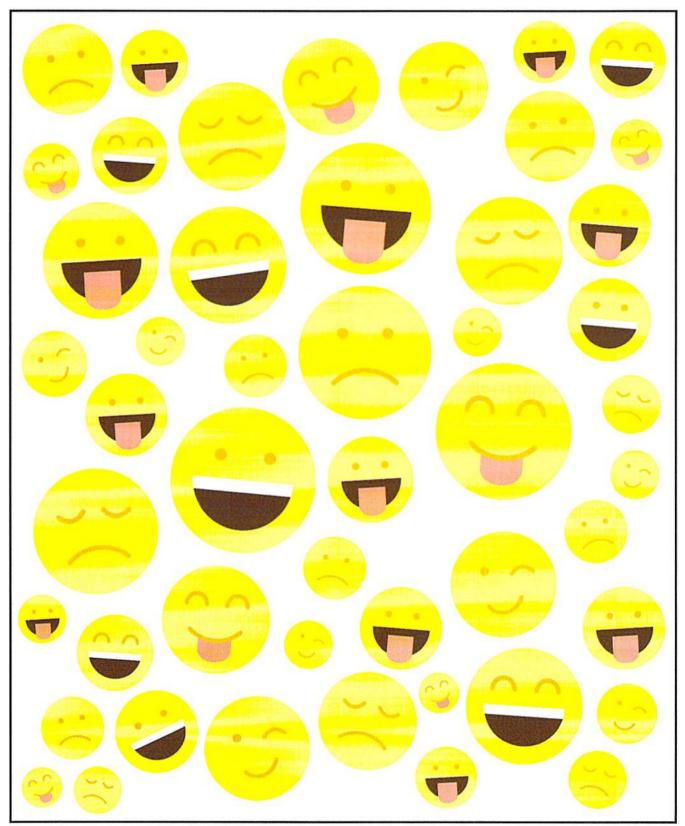

Players: 2

Player one, think of a word and draw a dash for each letter in that word. Player two, guess a letter. Player one, write the letter in all the correct dashes, or if the letter is not in the word, write the letter in the box and draw one element of the hangman diagram: head, arms, body, and legs. The game is over when the word is completed or guessed, or when the diagram is complete.
