

# Welcome to Virtual Champ Camp 2021

## “Best of the Best”

Here is the schedule for the week. The theme of the week is “Inside Out”. Each day has a color theme that coordinates to an emotion. These can be found inside the gray boxes below. Feel free to dress in the daily color for each night’s live event at 7pm. **Items in red mean it is an object or activity only found in your camp in a box. If it has a red \* it means, there are materials in the box to assist with a prerecorded activity. Blue means it is a video or activity that was prerecorded for you to enjoy when your schedule allows. Green items mean it is a live event that you need to join Zoom at 7pm to participate in.** Please go to the Champ Camp website (<https://www.aarbf.org/project/champcamp/>) to find links to all of the prerecorded activities.
